

Task 45 - Kick-off Meeting

Barcelona, Spain, April 5-6, 2011

+TRNSYS USERS' DAY: April 5th, 2011

Organization

Our kick-off meeting will be organised by **AIGUASOL** (www.aiguasol.coop), under the framework of the **energy thinking days 2011** (<http://aiguasol.coop/2011/01/energy-thinking-days/>). There will be a joint workshop with IEA Task 44 on solar thermal and heatpumps, also combined with a national industry workshop on April 6th. There will be a TRNSYS day, focused on both Tasks technical issues, on April 5th for those interested. Check the programme and registration form when available for details on everything and register according to your possibilities.

Task 45 meeting is on April 5th and 6th.
